PRESS RELEASE

May 1, 2017

For: Immediate Release

From: Tammy Humbert
EMA Director

The Dubois County Emergency Management Agency is performing a preliminary Damage Assessment to determine the degree of damage which occurred to local homes and dwellings as a result of the heavy rains which occurred over the weekend. If your home suffered significant water damage as a result of those storms please contact 211 from the hours of 9:00 AM through 6:00 PM EDT to report your damage. The information being gathered will be used to identify local areas in need, and will help determine whether assistance might become available from the State or Federal government.
