Nothing has been done on the sprinklers as there has been so much rain they haven't been needed, but Tom will continue to watch them when they are needed.

At 18th Street, a Pin Oak tree near the lower shelterhouse will need to be removed. It isn't totally dead, but has very little green on it. Due to the safety issue. Mike said he has been talking to members of the Y concerning their interest in pickleball. He said there seems to be very little interest in this. The board decided to table this for the present time and revisit at a later time.
